

Patent Application S/N 10/658,738

Attorney Docket P-2260

IN THE SPECIFICATION

At page 10, second paragraph (lines 9-16):

Figure 4 shows task list 106 of Figure 1 in greater detail. Task list 106 includes task items, such as task items 402A-E, each of which represents a particular task at which the user can spend time. Each task item has an associated color and description. For example, task items ~~[[406A-E]]~~ 402A-E have associated colors 410A-E, respectively, and associated descriptions 412A-E, respectively. Task items for which time has been recorded indicate the amount of time recorded for the current day, perhaps including multiple sessions. For example, task item 402A has a time total 406A which indicates that the user has recorded a total of 1.00 hours performing administrative tasks throughout the current day.
